Here are some quick participant details:

- There is no fee for organizations providing activities or having a display booth.
- There is a \$25 vendor fee if you are selling something (food items or craft/art).
- Set up time begins at 10 a.m. You must be completely set up by 11:30. There are always early birds, and we want to clear out our parking lot for visitors. Vehicles can move to the Kroger parking lot area after setting up.
- There are tables available for the children's crafts activities which will take place on the lower level of Gov. Kump House. However, you must provide your own table for setting up craft/food or organizational displays in the lawn area. Because the weather can be questionable, we recommend bringing a canopy.

Thanks again for your interest! Questions may be forwarded to kumpec@gmail.com.
